WATER-SUPPLY DIVISION.

Dated 20th May 1916.

Notice is hereby given that sealed tenders will be received by the undersigned up to 12 noon of the 13th June 1916, for the supply of the undermentioned article required for the use of this division.

2. An approximate estimate of quantities required is given against each item.

3. Each tender must be accompanied by a deposit of Rs. 50, as earnest money, and superscribed "Tender for the supply of Kerosene oil to Pumping Station at Harihar."

4. The final acceptance of the tender will rest with the undersigned, who does not bind himself to accept the lowest or any tender or assign any reason whatever for the rejection of any tender.

5. The name of the successful competitor, whose tender has been accepted, will be posted on the "notice board" in the undersigned's office in the usual course, and no enquiries regarding the acceptance or rejection of a tender will receive attention.

6. The contractor whose tender is accepted should begin the supply from 1st July 1916, or fifteen days from the date of intimation of the acceptance of his tender from this office, if the same is not received within the 15th June 1916.

7. During the 1st month at least 40 tins should be supplied.

8. The monthly supply of the balance should not be less than 50 tins subject to the maximum limit of 100 tins.

9. The rate tendered for shall include cost of delivery at Harihar Railway Station and not ex-godown and the empties shall be returned as they become available at the cost of the supplier.

10. If any of the above terms are not fulfilled while execution of the contract the earnest money shall be forfeited to Government and the contract cancelled.

No.	Particulars	Quantity required
1	Standard Kerosene oil, 125° Monkey Brand ...	600 tins

JOHN BHORE.
Sanitary Engineer.

MYSORE DIVISION.

Dated 17th May 1916.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Mysore Division, up to 25th June 1916, for protecting the paintings on the walls of the Daria Dowlat Bagh at Seringapatam. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of May 1917.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Mysore, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 250 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for protecting the paintings on the walls of the Daria Dowlat Bagh at Seringapatam" in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.
